9 August 2017

**9 August, 2017**

**School Focus:** Make responsible choices, especially when the weather is wet and we can't use the outdoor spaces and we are inside together a lot.

**Kia ora koutou, Ni hao, Talofa Lava, Guten Tag, and Hello to you all!**

**Maths Teaching Professional Learning** - We are very pleased to have had the opportunity to have the services of Mr Ian Stevens, who is a highly renowned maths facilitator to work with our teaching staff over the next two terms. Mr Stevens will be working with our teachers to develop our planning and assessment systems as well as the way we teach maths. Today Mr Stevens worked in our classrooms, modelling lessons and working with teachers and children. He will be back with us at regular intervals over the second half of the year.

The end result of this work will of course be better learning outcomes for our tamariki, which we are all excited about.

### **Sports Mad in Term Three!**

Despite the horrible weather, we have been attempting to make the most of all the sporting opportunities that are available at the moment.

**Waitara Gymnastics** - A group of our Tui Tree and Totara children have been fortunate enough to be receiving coaching from Waitara Gymnastics Staff this term. They have had two sessions and are working towards competing in the Taranaki Gymsports Festival in September. We are very grateful to the Waitara Gymnastics Club for this opportunity as well as the awesome group of parents who have been taking them out each week.

**Year 7/8 Interschool Sports** - Yesterday the Year 7 /8 Team had their first game of the McLeod Shield with a 31-17 win against Rahotu at Rahotu. The team will now have three home games on the following dates:

**Wednesday August 23rd vs Manaia @ 12:30pm**

**Wednesday Sept 6th vs Ngaere @ 12:30pm**

**Thursday August 31st vs St Joseph's Waitara @ 12pm**

This year the Year 7/8 Netball Hurlstone Cup will be held in a tournament format on one day. This will be held in Stratford on **Wednesday September the 6th**. More information for the organisation will follow soon.

**Athletics Taranaki** - Cross Country sessions - Last week Olly from Athletics Taranaki had his first of four sessions with our senior classes. They worked on warm-ups, starts and some technique. Olly will be back in this Thursday for the next session.

**Cross Country Dates** - Our school cross country will be held on **Wednesday August 30th**. We welcome parents and whanau to come in and support their children. Maybe we can even have a parent's race! The Inglewood Cluster Cross Country will be the next step for those who wish to push themselves in a bigger race against runners from other schools. This will be on **Tuesday September 5th**. We will also be sending a team of top runners to the Taranaki Champs, which will be on the last Wednesday of term, **Wednesday September 27th**.

**Inglewood Cluster 7-a-side Football Tournament** - Tuesday September 19th - This will be for Year 5 - 8 students and is another great community experience for our learners.

**Breaking News!** Mark the morning of Thursday August 24th in your calendar because the TVNZ

Breakfast Crew are coming to Norfolk School! Thanks to Fonterra, Matty McLean and the Breakfast TVNZ Cameras will be filming live from 6am - 9am right here at our school! Not only that, but they will be cooking breakfast for anyone who comes along for the fun too!

**Hot Lunches** - Next week will be the last week for hot lunches this winter. We thank all of the staff involved for ensuring the oven is turned on and the food is ready for eating times. This is a lovely Norfolk tradition and many children really enjoy a hot treat each week.

Nga mihi koutou - acknowledgements to you all for your support.

**Andrew Georgeson - Principal**
