Kia ora koutou, Ni hao, Talofa Lava, Guten Tag, and Hello to you all!

School Focus: To be kind and make sensible choices in the playground

We have had lots of interesting learning opportunities for our tamariki this week. Tracy from Parafed Taranaki had a great session with the Totara Room on Monday. The class learnt several new games that are designed for people with limited movement or disabilities. These games are a lot of fun for everyone. We are looking forward to wheelchair basketball next week!

2018 Y7/8 Camp Meeting - Our 2018 Intermediate camp to Rotorua is scheduled for the week before Easter next year, March 26th - 29th. Planning for this camp is well under way. We will be holding a parent information evening on **Wednesday September 13th at 5:30pm**. This will be a chance for us to share the planned programme, outline costs and plan future fundraising ventures.

Sports and Events: Year 7/8 Netball and Rugby teams have been busy over the past week. Last Wednesday the Netball team competed in their Hurlstone Trophy Tournament day in Stratford, playing four games. No wins for the girls this time, but great team spirit and sportsmanship on display. The Rugby team also played last week, winning against Ngaere School and qualifying for the Semifinals of the McLeod Shield. This was played in terrible conditions against a combined Eltham/Matapu team on Monday. Norfolk lost the game 45 - 15 but put up a really brave effort. Well done to all of you and thank you to the parents who have supported so well throughout the season.

Head Lice - We have become aware that one, or more, children attending Norfolk School have been confirmed to have a head lice infection. We would like to stress that finding a head lice infection is nothing to be concerned about, head lice infections are common in children of school age and are not harmful. We would, however, like to take this opportunity to remind you of the importance of regularly carrying out detection combing to check for the presence of head lice. Don't forget, if you do find head lice in your child's head, to let all close contacts (including the school) know about it – so everyone can check for head lice. For further information on head lice please speak to your local pharmacist/doctor. Alternatively, you can look at www.headlice.co.nz

Nga mihi koutou - acknowledgements to you all for your support.
