**Netsafe Parents Information** - Thank you to those parents who attended the Netsafe Parents evening at Inglewood High School last Tuesday. Online safety is a big issue in our tech savvy world and the effects reach well beyond our own home and school. For those who were unable to attend the session, we will include useful information and links in future newsletters. Here's a great link to [10 tips for parents](#) on the Netsafe website.

**Teacher Paid Union Meeting - Thursday June 28th**

NZEI have called for all teacher union members to attend a Paid Union Meeting on this date. This is to discuss progress on the campaign for the Ministry of Education and the Government to urgently deliver more resources and staffing so schools can better support students, and for greater recognition for teachers in New Zealand so that the growing teacher shortage is addressed before it impacts further.

We are calling on the Government to do what's right so students can continue to access quality public education in this country.

The majority of our teaching staff will attend this meeting, which starts at 2:30pm. There will be a skeleton staff, including myself and support staff available at school from 2pm. Children will be supervised until the end of the day but parents may choose to collect their children at 2pm if you wish.

There are separate meetings for Principals and I will be attending one at 8am on the same day. We thank you for your support with this matter.
